Terms & Conditions: You agree to pay for all amounts charged with your DataTracker Commercial Kwik Card(s) to your account by you, or by others with your permission, according to the terms below. You agree to pay, by the payment due date of each statement, the full amount shown on your current statement as "New Balance." You understand that Kwik Trip, Inc. does not send copies of charges made with your statement. If you are a natural person, by using the Commercial Kwik Card(s), you also agree to the foregoing Terms & Conditions provided in this section.

If you are obtaining ten or more Commercial Kwik Card(s) under your account, you further agree to pay for all unauthorized charges made to your account.

Method of Calculating Finance Charge:

Fuel & In-Store purchases: The monthly periodic rate for fuel and in-store purchases is 1.5%, which translates to an annual percentage rate of 18%. This rate is charged on any unpaid balance on your account.

Cash Advances: The monthly periodic rate for cash advances is 1.5%, which translates to an annual percentage rate of 18%. This rate is charged on all cash advances issued to your account, beginning on the date of the advance until the date it is paid (i.e. a \$100.00 cash advance received on January 1 but not paid until February 25th would be assessed a finance charge of \$2.71).

Fees & Charges: There are NO annual or late fees or any other fees or charges to your DataTracker Commercial Kwik Card account except those stated herein.

Payment Terms: You agree to pay in full each month, in U.S. funds, all the amounts charged to your account during the previous month, within twenty (20) days after the date of the statement. The monthly billing statement will show the total amount due as "New Balance." In the event you do not pay the "New Balance" when due, you agree to pay a finance charge on the unpaid balance. Payments received by 10:00 a.m. on any regular business day will be applied as of that date. Any payments received after 10:00 a.m. on any regular business day will be applied to the following day's business. Payments are applied first to the finance charges, then to the balance of the account, beginning with the oldest purchase. **You may, at any time, pay your total indebtedness prior to the payment due date without receiving additional charges.** Finance charges will be calculated for all customers as 1.5% x the total unpaid balance. Upon charging to your DataTracker Commercial Kwik Card, Kwik Trip, Inc. will grant a 3¢ per gallon discount on fuel purchases and a 10% discount on most in-store purchases charged to your DataTracker Commercial Kwik Card account. Discounts granted by Kwik Trip, Inc. to any customer are contingent upon the customer paying in full each month, the amounts charged to their account, as defined in the payment terms of this agreement. **Discounts will be issued monthly to your DataTracker Commercial Kwik Card Statement. In the event a customer does not pay, in full, the amount charged to their account, the customer will forfeit the following month's discount.**

Fund Raising Designation: You have the option of supporting your favorite charity, group or organization by designating that charity, group or organization to receive a donation electronically from Kwik Trip, Inc. in lieu of your

monthly discount. If Kwik Trip, Inc. receives a minimum of one designation naming that charity, group or organization, it will be eligible to receive a donation electronically from Kwik Trip, Inc. pursuant to this program. In addition, Kwik Trip, Inc. will make an additional donation of 5% of your total in-store credit purchases, excluding certain items subject to statutory minimum mark-up requirements, or which are otherwise prohibited by law from earning such rewards, to this same charity, group or organization. Donations will be issued only on behalf of accounts not in default as or has had 2 or more late/missed payments in 6 months at the time of the issuance of such donations. Kwik Trip, Inc. shall issue donations to the designated charity, group or organization on a quarterly basis (January, April, July and October) via electronic funds transfer. Designations may be changed one time per year during January of each calendar year.
